

Transition Team Update

June 4, 2025

The Transition Team wants to begin by thanking the members of the congregation who have completed the recent survey and have participated in the recent listening sessions. You are an important part of this time of discernment. The Team has already met to review the results of the surveys. We will use the feedback to help us complete a Mission Review which is required by the Presbytery. Our goal is to finalize this as soon as possible. Once the Mission Review is complete, it gets submitted to the Committee on Ministry(COM) at the Presbytery level. Their approval of the Mission Review is what allows us to begin forming the Pastor Nominating Committee(PNC). We thank God for the way He continues to provide for Falling Spring.
