College Ministry Team Requests Information

Know any college students? Want to help put a smile on their face, lift their spirits and encourage them on their educational journey? The College Ministry team loves sharing encouragement with students both near & far.

Use the QR Code here to sign up students to receive a monthly message from our team. We share encouragement, prayer, and a reminder that they are loved and supported while they're away at school. It's a simple way for us to stay connected and remind them that their church family is praying for them! Contact Emily Lemons or Katie Truesdale with any questions.
